Weekly charter rates

One rate covers the boat, the captain, and the running costs, whether you're two aboard or six. Split among three couples, a week on *Moonstruck* comes to $3,000 a person.

WEEK	THE BOAT	PER PERSON
Any week Winter and summer alike	***$18,000*** for the week, 2 to 6 guests	***$3,000*** with six aboard
Christmas week Ends on or before December 26	***$20,000*** for the week, 2 to 6 guests	***$3,333*** with six aboard
New Year's week Starts December 27 or later	***$22,000*** for the week, 2 to 6 guests	***$3,667*** with six aboard

Every figure is for the week, for 2 to 6 guests, with the captain and the running costs included. The per-person column divides the same rate six ways. Christmas and New Year's weeks are seven nights only.
